

Mission

The mission of the Summit County Mental Wellness Alliance is *“to enhance the quality of life for all Summit County residents by improving community awareness of mental health/substance abuse issues and increasing access to effective treatment and prevention services within the County.”*

Strategic Directives

The Alliance Steering Committee has approved the following Strategic Directives for the Summit County Mental Health and Substance Abuse Strategic Plan:

1. Expand community **access** to mental wellness and substance abuse programs and services within Summit County.
2. Increase community **awareness and education** around mental wellness and substance abuse within Summit County.
3. Ensure success and **sustainability** of mental wellness and substance abuse programs and services within Summit County.
4. Establish **systems** within Summit County to support life after recovery and reintegration within the community.
5. Ensure **parity** of mental wellness and substance abuse services and programs for Spanish-speaking community members.

Alliance Committees

In order to achieve the Strategic Directives, the following committees have been established to focus on objectives essential in achieving the Strategic Directives. Each committee has a designated chair appointed by the Steering Committee unless otherwise noted. Membership on committees is open to all community members (Members-at-large), but several have designated seats based on organizational membership. Members-at-large seats are assigned by their corresponding committee.

1. **Executive Committee:**

a. **Charge:**

The Executive Committee serves as the administrative body of the Summit County Mental Wellness Alliance and is charged with the supervision and advisement of the Mental Health & Substance Abuse Coordinator. In addition to these duties, the Executive Committee may serve, upon request of the Coordinator or a majority of the Steering Committee members, as the final decision-making body when the Steering Committee cannot reach consensus.

b. **Membership:**

- i. Membership of this committee was established by the entities responsible for the creation and support of the Coordinator position. While the individuals may change, the organizations listed below are provided a seat on the Executive Committee. Membership may be added or removed with a unanimous decision of the members. Membership is limited at five, plus the Coordinator. Unless otherwise delegated, the Director of the Summit County Health Department will serve as chair of the committee.

ii. **Executive Committee Seats:**

1. **Committee Chair:** Summit County Health Department Director

2. **Steering Committee (Board of Directors):**

a. **Charge:**

- i. Established as a collection of key community stakeholders, as identified in the "*Report of Mental Health Survey Findings and Community Based Strategic Planning Directives for Summit County*" (October 2016), the Steering Committee serves as the acting board of directors for the Summit County Mental Wellness Alliance, and is accountable to the Executive Committee. The Steering Committee is charged in approving all policy, program, and financial decisions for the Summit County Mental Wellness Alliance. This is to ensure overall coordination of plans and actions. Additional members of the Steering Committee include committee and workgroup chairs. The primary responsibility of the Steering Committee is to ensure that other committees are in line with mission and objectives of the Alliance, and to regularly review the Summit County Mental Health and Substance Abuse Strategic Plan to ensure movement on the Strategic Directives and corresponding objectives.

b. **Membership:**

- i. Current membership to the Steering Committee is limited to 40 members and chairs. As objectives and committees change, so may membership. Membership may be added or removed with a unanimous decision of the members. Membership changes expanding beyond 40 require approval from the Executive Committee. The Mental Health & Substance Abuse Coordinator will serve as chair of the Steering Committee along with a vice-chair, elected by the Steering Committee.
